

Good Afternoon

Works undertaken this week:

- Decorations to the new perimeter hoarding
- Complete infill to the existing basement
- Removal of existing hardstanding surfaces
- Reduce level dig to accommodate piling mat build up
- Install and compact stone to form piling mat.

Notable works planned for next week:

- Tuesday 31<sup>st</sup> we will be conducting CBR Testing and utilising a MEWP for high level access.

Painted Perimeter Hoarding

Existing signs retained and repositioned.
